

# **Employee Referral Program**

#### Applicant & Employee

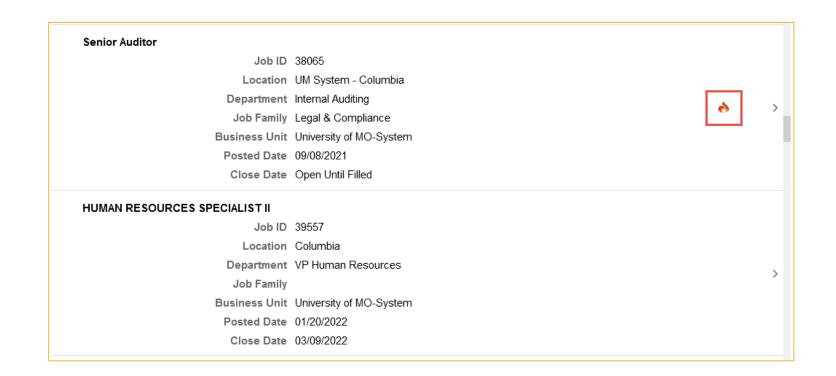

#### University of Missouri System COLUMBIA | KANSAS CITY | ROLLA | ST. LOUIS

#### **Hot Jobs**

Jobs that have been flagged with the **Referral Program ID** field are referral eligible and will show as a Hot Job with the fire symbol for applicants. Jobs with the Hot Job symbol will show at the top of the list of job openings.

#### **Application Process**

During **step 8** of the application process, the applicants identify the source, or employee, that led them to the job opening. To start an employee referral, the applicants select the '*Employee- Current*' option. Retirees and

former employees may be entered but are not eligible for the incentive.
